Dear Mr. Demery:

## HEARING NOTICE, DRAFT WASTE DISCHARGE REQUIREMENTS; FOXEN CANYON CLOSED CLASS III LANDFILL, SANTA BARBARA COUNTY, CALIFORNIA

Central Coast Water Board (Water Board) staff have prepared and attached draft Waste Discharge Requirements Order No. R3-2007-0027 (Draft Order) and draft Monitoring and Reporting Program No. R3-2007-0027 (Draft MRP), for the Foxen Canyon Closed Class III Landfill. Interested parties may download and/or view the Draft Order and MRP online at:

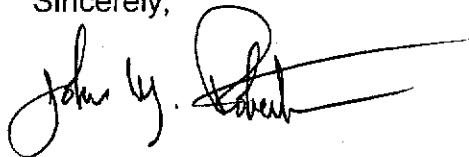

<http://www.waterboards.ca.gov/centralcoast/Permits/Index.htm>.

Interested parties wishing to comment on the Draft Order or MRP must submit comments no later than **March 23, 2007**. The Water Board will not accept comments or other written submissions on the Draft Order or MRP after March 23, 2007, unless the Water Board Chair rules that exclusion would create a severe hardship and that the late submission will not prejudice any party or the Water Board. Any person submitting late comments must explain why the materials were not submitted by March 23, 2006. The Water Board Chair will rule at or before the hearing. Late submissions that consist of evidence (as opposed to policy statements or comments) are generally prejudicial unless all designated parties and Water Board staff have time to consider the evidence before the meeting. The Central Coast Water Board will hear public comments and consider the draft Order at its **May 11, 2007** meeting. The May 11<sup>th</sup> Water Board meeting will be held at San Luis Obispo, California.
